INTRODUCTION

Thanks to the firm's "single-office" principle, Cuatrecasas, Gonçalves Pereira Zaragoza provides legal services in all areas of business law and is the legal reference for many companies in Aragón and the surrounding areas requiring the services of lawyers highly specialized in all areas of business law.

Managed by Javier Garanto, the Zaragoza team has over 20 lawyers (including four partners) in the main practice areas: finance and tax, corporate finance, labor, litigation and public law. In addition to advising companies and individuals on an ongoing basis, it is particularly experienced in the areas of family businesses, the international expansion of companies, advising foreign companies on setting up in the Iberian Peninsula, mergers and acquisitions, restructurings, insolvency and tax litigation proceedings.
