

FACT SHEET

OVER 950 LAWYERS

OVER 30 LEGAL SPECIALITIES

We provide legal advice in all areas of business law, with 19 legal specialties and 15 industry groups.

HIGH-PROFILE CLIENTS

We have a long tradition of advising the Iberian business sector, including some of the main Iberian companies, as well as multinational companies doing business on the Iberian Peninsula.

HIGH-PROFILE TRANSACTIONS

The firm advises, year after year, on some of the most important strategic transactions in the Iberian market.

CROSSBORDER CAPABILITIES

We have 9 international offices, 6 international desks, 20 country groups, and a strong network of relationships with many of the best law firms in the world.

In Continental Europe, we have developed a non-exclusive network with three other leading law firms (Chiomenti in Italy, Gide in France and Gleiss Lutz in Germany), allowing us to offer clients an integrated service in complex crossborder transactions.

WHAT WE STAND FOR

Our experience, top-quality legal skills and business knowledge, and our lawyers' constant updating in the legal field are the cornerstones of our legal advisory services.
